Unless otherwise noted, "OilEx" and all other marks used in this presentation are trademarks of Hunter Technology Corp. (the "Company"). Any reproduction or dissemination of any feature of this presentation, in whole or in part, or any use of this presentation for any unlawful purposes, is strictly prohibited.

This presentation contains certain statements that may be deemed "forward-looking statements". Information set forth may involve forward-looking statements under applicable securities laws. Forward-looking statements are statements that relate to future, not past, events. In this context, forward-looking statements often address expected future business and financial performance, and often contain words such as "anticipate", "believe", "plan", "estimate", "expect", and "intend", statements that an action or event "may", "might", "could", "should", or "will" be taken or occur, or other similar expressions. All statements, other than statements of historical fact, included herein are forward-looking statements. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward looking statements. In this presentation, forward-looking statements relate to, among other things, Hunter's future performance as it develops its business. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to: risks relating to delays, development and marketing risks, unforeseen requirements resulting from the COVID-19 pandemic, inability to access, on favourable terms, sufficient capital from internal and external sources, the ability to access, hire and retain employees; regulatory changes and impacts, timing and completion of the Company's online platforms as well as general business, economic, competitive, political and social uncertainties.

The information provided in this presentation is provided solely for general knowledge purposes. This presentation is not intended to be a comprehensive review of all matters and developments concerning the Company and the Company assumes no responsibility for its completeness, accuracy and currency. Although information used in this presentation is believed to be accurate as at the date hereof, it may not be accurate when read. The Company does not undertake to update any of the information provided in this presentation.

THIS PRESENTATION IS PROVIDED "AS IS" WITHOUT ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND, INCLUDING WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OF INTELLECTUAL PROPERTY, OR FITNESS FOR ANY PARTICULAR PURPOSE. IN NO EVENT SHALL THE COMPANY, ITS DIRECTORS, OFFICERS OR EMPLOYEES BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES DUE TO LOSS OF PROFITS OR BUSINESS INTERRUPTION) DUE TO THE READER'S USE OF THIS PRESENTATION.

This presentation is not to be construed as an offer to sell, or a solicitation of an offer to buy securities of the Company. An offer to sell, or a solicitation of an offer to buy securities of the Company can only be made by a broker-dealer registered in all jurisdictions in which such an offer is being made and only if such offer is otherwise made in accordance with all applicable securities laws, regulations, and rules of any kind whatsoever. The information in this presentation is not intended in any way to qualify, modify or supplement any prospectus or other information disclosed under the corporate and securities legislation of any jurisdiction applicable to the Company. No securities commission has in any way passed on any of the information contained in this presentation.

THE FOREGOING LIMITATIONS AND DISCLAIMERS APPLY REGARDLESS OF THE CAUSES OR CIRCUMSTANCES GIVING RISE TO THE LOSS, DAMAGE, CLAIM OR LIABILITY, EVEN IF SUCH LOSS, DAMAGE, CLAIM OR LIABILITY IS BASED UPON BREACH OF CONTRACT (INCLUDING, WITHOUT LIMITATION, A CLAIM OF FUNDAMENTAL BREACH OR A BREACH OF A FUNDAMENTAL TERM), TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE) OR STRICT LIABILITY.

“ **Connect independent oil producers, buyers and traders in a secure and trusted digital marketplace to unlock value by optimizing pricing and simplifying processes.** ”

Solution

Building a smart, simple and secure network to unlock value in physical oil transactions

SMARTER

Digital Management

Smart matching algorithm for price discovery and supply chain transparency

SIMPLE

Time Saving

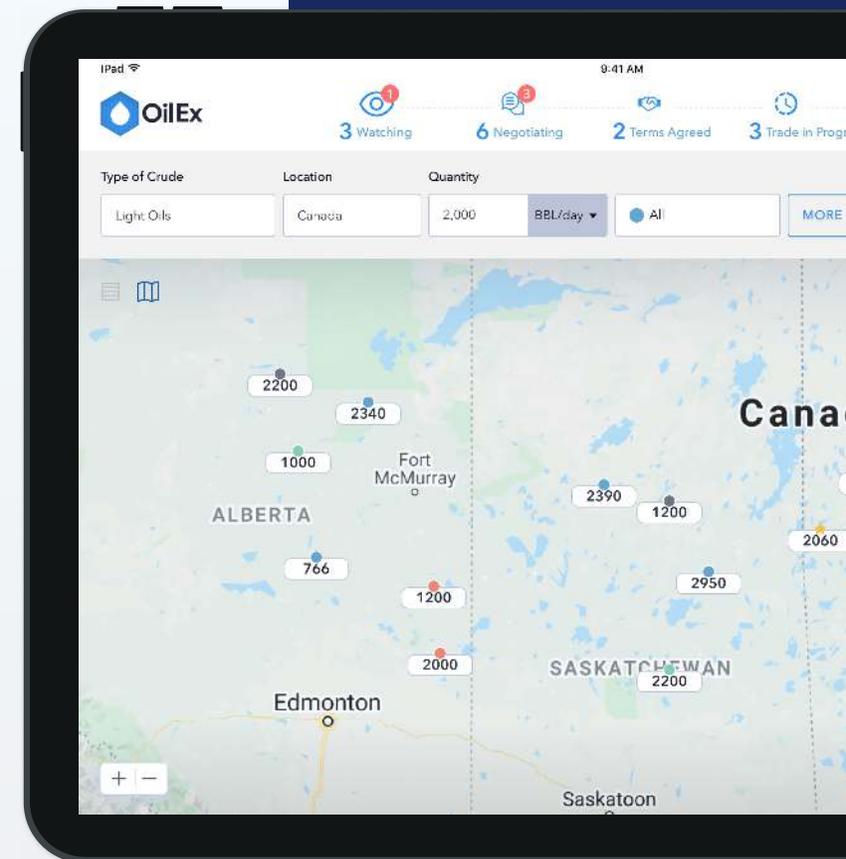

Streamlined deal workflow solution in one easy-to-use optimized workspace

SECURE

Trusted Marketplace

Access a broader market of verified and trusted buyers and sellers

Customers

OilEx creates a digital trust through the entire supply chain

Independent Producers

Optimizing pricing by connecting to a broader set of buyers and traders

Buyers

Accessing an untapped network of trusted independent producers

Traders

Opening the market to verified buyers and sellers, while simplifying and digitizing complex workflows

Sovereigns

Improving crude oil supply chain intelligence

Roadmap

Focused on building the network and transaction processing in 2021

2021 Q1

Team Building Design & Development

- In-house software development team
- Leverage technology expertise from FinFabrik acquisition

The future-oriented financial information and financial outlook information (collectively, "FOFI") about the Company's prospective results of operations are subject to the disclaimer on slide 2 above. Key assumptions in the FOFI include the projected increases in transaction volume and the amount of the transaction fee. Readers are cautioned that the assumptions used, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on FOFI. The Company's actual results, performance or achievement could differ materially from those expressed in, or implied by, these FOFI, or if any of them do so, what benefits the Company will derive therefrom. The Company has included the FOFI in order to provide readers with a more complete perspective on the Company's future operations and such information may not be appropriate for other purposes. These forward-looking statements and FOFI are made as of the date of this presentation and the Company disclaims any intent or obligation to update any forward-looking statements and FOFI, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.
